

**Please read the following very carefully:**

## **IPAD RULES**

- Students must **only use their iPads for educational purposes** when on the premises of Dundalk Study Academy.
- **Students DO NOT have permission, in any circumstances, to take a picture, or video of any staff member, student or person on the premises. This includes the use of Snapchat, which is prohibited both on an iPad or phone.**
- Snapchat, Facebook, Instagram, Twitter, Whatsapp or **any other form of social media is strictly prohibited** during study sessions.
- Students do not have permission to play games during study sessions, either online or on the iPad itself.
- Students must ensure that they do not leave their iPad unattended at any time. It is the student's responsibility to look after his or her own possessions.
- Students must place their iPad on the stand on their table, and must not cover the screen; supervisors must be able to clearly view the screen at all times.
- Supervisors may check the iPad at any time during sessions to ensure that students are using it for educational purposes only.
